GOSPEL REFLECTION FOR ALL SAINTS

What Makes a Saint? We can land men on the moon or Mars, find cures for cancer and AIDS, or define the 'big bang theory' but ultimately our destiny is shaped not by man's conquests or discoveries, but by the simple acceptance of a sermon Jesus gave over two thousand years ago. The 'Sermon on the Mount', sometimes called the 'greatest sermon of all time', begins with a list of revolutionary statements, which we now know as the 'Beatitudes'. The Beatitudes give us a blue print for living our lives, and a key for entering the Kingdom of God.

Be poor in spirit we are told, not allowing our lives to be governed by money or material concerns. We should be meek, always seeking to serve rather than seeking the power with which to lord it over others. Hunger for righteousness we are told, never tolerating injustice, always having the integrity to suffer for what we believe in if needs be. We should be merciful, not only with those we feel deserve mercy like the poor and the disadvantaged, but with those who need our forgiveness and consideration. Are we always pure of heart or do we enjoy a good gossip, a joke at someone else's expense? Are we peacemakers, or do we fuel battles against neighbours, workmates or people from different communities?

The Beatitudes are a list of ideals and challenges designed to shape our lives for the better, but are we left looking at the list and feeling that it's just too much of a tall order? As in anything that initially seems too difficult, are we in danger of simply 'switching off', imagining that Jesus' ideals are meant for others but not for us?

On this the feast of 'All Saints' we celebrate the lives of those saints whose lives we aim to imitate. But what is interesting to note, is that not even these very special men and women have managed to live by every single beatitude. A saint is not necessarily a perfect person, but someone who has sought his or her hardest to be faithful to God. When we determine to live our lives by Jesus' ideals what matters is our commitment and integrity, not our measure of success.

PARISH PRAYER – Father, pour out your Spirit upon our parish. Grant us a new vision of your glory, a new faithfulness to your Word and a new consecration to your service, that your love might grow among us and your kingdom come, through Christ our Lord, Amen.

Commemoration of All the Faithful Departed (All Souls), Monday 2nd November: Finding Rest - During the month of November, but particularly on this day we remember all those who have died. We remember them in a meaningful way rather than a mournful way. We remember the lessons we have learnt from them and the talents we have inherited from them. We remember how we loved them and how they loved us and made us what we are today. We remember their good deeds and

determine to be more like them. Most importantly we remember that they have found rest, just as Jesus promised.

Caritas Webinar - Following the success of the first Caritas webinar in July, partnered with CAFOD, Caritas East Anglia will be hosting a webinar on Wednesday, 11th November from 7-8.30pm, entitled 'The Richness of Many Years of Life', to celebrate how older people enrich our lives. There will also be ideas and help available if you would like to support those isolated in our community. Pope Francis's Prayer Intention for November 2020: Artificial Intelligence - Artificial intelligence is a system which observes information about the past and makes judgments or predictions when it is shown new information. Because Al systems learn from what they see in the world, they are likely to continue those patterns rather than adapt to changing conditions or values. Just as Christians are called to weigh the things we think and say (Phil 4:8–9), we must also be aware of our influence on Al systems, machines that echo and reinforce our personal and societal behaviours. Just as parenting includes moral responsibilities for the behaviour of our children, we may need to take similar responsibilities toward Als. This month we are asked to join in Pope Francis's prayer intention ".... that the progress of robotics and artificial intelligence may always serve humankind."

International Day of Prayer for the Persecuted Church, 1st November - For many of us going to Church is as about as routine as doing the shopping or getting the bus to work. For the most part we are able to practise our faith in total freedom. It's hard to believe that in some parts of the world Christians are imprisoned or tortured for their faith. On the first Sunday of November we are asked to pray for those who want the right to share the same religious freedom we enjoy. We remember to be thankful for a freedom that sometimes we take for granted.
