**FROM THE BISHOP**

‘This Sunday Pope Francis is consecrating the whole world to the Immaculate Heart of Mary. The Holy Father has asked that the statue of Our Lady of Fatima be brought to Rome for this most significant occasion. The Consecration expresses our desire to share Mary’s complete openness to God and neighbour. To be consecrated to Mary’s Heart is to set out on a pilgrimage to her heart, so that with her we may love God more fully and our neighbour in ways that are real. Pope Francis has constantly reminded us that devotion to Mary is at the heart of our Catholic faith. He has expressed his own devotion, for example, by praying before the image of the Blessed Virgin in St. Mary Major’s Basilica on the morning after his election. His Holiness tells us: “This is how it is with Mary: if you want to know who she is, you ask theologians; if you want to know how to love her, you have to ask the people.”

As Pope Francis makes this new consecration of the whole world to the Immaculate Heart of Mary, he will surely be praying especially for those people most in need in our world – for those longing for peace, for the poor and the marginalized, for the sick and bereaved, for those who feel alienated from God. To her Immaculate and Sorrowful Heart he will commend these and all of us.

As the Holy Father makes this consecration, let us ask Mary to show us how we might more faithfully follow her Son, Jesus, and so love God and our neighbour wholeheartedly.'
