

GOSPEL REFLECTION FOR THE THIRD SUNDAY OF ADVENT

Recognising Jesus In Our Lives

If we were still using the Latin Mass, one of the first words we would have heard this Sunday would have been 'Gaudete' meaning 'rejoice'. The third Sunday of Advent, otherwise known as 'Gaudete Sunday' is a day upon which we are invited to rejoice. But what if we don't feel as though there is much to rejoice about? Should we pretend? Should

we put on a smile and thank God for our blessings with a joy that we don't honestly feel in our hearts?

There's a well known saying that goes "Every cloud has a silver lining." The old adage is telling us to look for good in every circumstance, but in truth it's not always easy to believe in silver linings or know how to find them. Our lives can sometimes feel like a pointless spiral of problems, and finding joy can be elusive.

In the days of John the Baptist, the Jewish people had been praying for a messiah who would come in great power like a regal warrior to restore Israel. They were unable to recognise Jesus as the answer to their problems, because he was just the humble son of a poor carpenter. They didn't recognise him because he wasn't what they were expecting. They were unable to embrace their 'silver lining'.

Today it is easy to recognise Jesus in our lives when things are going well, but in our suffering Jesus' presence can be harder to recognise. God's agenda is hardly ever our own agenda. The solutions we yearn for and pray for are probably not God's solutions. Today's challenge is to rejoice in God's presence in all of life's circumstances both good and bad. We need to recognise God when he comes to us in ways we do not expect.

"Too many people miss the silver lining because they're expecting gold."

Thank you once more and we hope you will feel able to support us next year. We would be delighted to welcome new members from the parish to join our group which meets at 11am on the second Wednesday of each month. *Anne Sibley, President*”

From our Rome Correspondent – “Advent Greetings to everyone, and hoping that this season is bringing many good things to all. College life is slowing down now as we head towards a break, when I will be back in the United Kingdom for a couple of weeks (inclement weather permitting!) and will spend some time in the diocese and also with family and friends. Recently I took a very important step with my fellow third year seminarians, including my two colleagues from East Anglia. We were admitted to candidacy for ordained ministry in a rite that represents a significant milestone in our formation, consisting of a public statement of intent to live out the responsibilities of the clerical state in the service of the Church. Permission to apply for candidacy is granted by the seminary and then a letter of formal request is sent to the bishop or religious superior responsible for formation. Bishop Alan was gracious enough to grant the application of all three of us from East Anglia, and so after the enactment of this rite within the context of a mass celebrated by Bishop Paul Tighe, Secretary of the Pontifical Council for Culture at the Vatican. – and a festive meal to celebrate the occasion – we are now hoping to be ordained as transitional deacons in June of 2018. I am sure that reaching this point is the product of many prayers and intentions by yourselves and other people praying for vocations. Thank you for all your support and ongoing help, and I look forward to seeing people soon. My best wishes and my own prayers are offered for you all until then. *In Christ, Mike Brookes*”
