Church Action on 'Poverty Sunday', Sunday 19th February 2023 - Building a powerful movement to unlock poverty has never been more important. The cost-of-living crisis threatens to sweep millions into poverty. No one should have to face the choice between heating and eating. To prevent more people being swept deeper into poverty, it's vital that those of us affected have a say. Now more than ever, churches and communities need to stand together and uphold each other's dignity, agency and power. On Church Action on Poverty Sunday, join with other churches across the UK in giving, action and prayer. Celebrate the transformational possibilities of people coming together to reclaim their dignity, agency and power. You can make a donation at www.church-poverty.org.uk/give/

GOSPEL REFLECTION - 7TH SUNDAY IN ORDINARY TIME Friend or Foe?

What strange advice! "If anyone strikes you on the right cheek, turn the other also." "If anyone forces you to go one mile go also the second mile...." "If anyone sues you for your outer garment, give them your undergarment too." Jesus tells us not to resist evil. Does he mean us to roll over and

allow our enemies to walk all over us?

It's very easy for us to love our friends. Only loving those who are easy to love doesn't provide very much of a challenge, and consequently doesn't earn us much of a reward. The challenge Jesus poses today is to meet our enemies with love. Jesus' advice is to meet violence with non-violence and to meet force with acquiescence. If we only love those who love us back, we are not doing anything more than anyone else, but if we love our enemies, we show ourselves to be true disciples of Christ.

In our conflict-ridden world, today's gospel has never been more relevant. Never has there been a better time for Christians to get more involved in campaigning for non-violent strategies. Jesus isn't suggesting we roll over and allow or enemies to walk all over us, nor is he suggesting we turn a blind eye. What he is suggesting is that we always make a stand for justice in the spirit of love and not aggression. There are a million and one little things we can do each and every day to help tackle the causes of poverty, prejudice and oppression. The world has never been more ready.
